

Introducing ....

# Lilyypad in the Park

The Pavilion, Hoe Road recreational ground.

Due to current and predicted demand for pre-school places we are opening a second site. It's the same great Lilyypad's you know but with the addition of lots of green space.

And just to let you know we are staying at the Infant school. We can't think of a better way for your children to make the transition to Bishops Waltham Infant School.

## Opening in January 2017 places available

We couldn't be more excited! You get to decide (as long as space allows) which site suits your child better. We will also be introducing new opening times to help ensure you get the childcare you need.

We are a charity run pre-school led by a committee of parent volunteers and our amazing staff. There is lots of work to do before we open. So if you or anyone you know has any spare time to volunteer a few hours, to help get us ready, please get in touch, we would really appreciate it.
