

# Welcome to Lilypad at The School

Lilypad Pre-School has been operating within the community of Bishop's Waltham for over forty five years. We provide a safe, fun, friendly and educationally stimulating early learning years environment for children aged 2.5 yrs until school.

We ensure children are valued and cared for as individuals, whilst being supported and encouraged to develop their potential. We are a charity registered Pre-school run by a committee of volunteer parents. We operate on a non-profit making basis, which means any profit made is used to provide quality resources.

Our focus is on enhancing our Pre-school in order to maximise the learning experiences available to the children.

*"Absolutely fantastic! No improvements needed"*
